**FREE WEEKEND FOOD FOR YOUR CHILD
AVAILABLE THROUGH GREATER PARK HILL COMMUNITY**

Greater Park Hill Community (GPHC) is teaming up with the staff of Park Hill Elementary to offer nutritious meals and snacks for children over the weekends and extended school breaks. Any child who is enrolled at Park Hill Elementary is able to receive these free weekly bags of food.

If you believe your child could benefit from this program, please complete the consent form below. Only one form is needed per family, but please include information for each of your children who are students at Park Hill Elementary. This form is kept confidential between Park Hill Elementary and GPHC.

Once we receive the completed form, your child will receive bags of food each week until you no longer wish to participate or your child leaves the school. The food will come in a plastic grocery bag that can fit inside your child's backpack.
