Hockey Heroes (1st-5th) Mondays 3:30pm-4:30pm

Discover how fun and exciting playing floor hockey can be with Constant Evolution Fitness. No skates, no problem! In this version of the game, we keep our running shoes on.

In a small, positive, and fun environment, we introduce your child to the game of hockey. Using a variety of thoughtfully planned activities and instruction, we'll develop the fundamentals needed to improve your hockey player's passing, shooting, and stickhandling. Each session, players will participate in fun, small-sided games and skills challenges.

Safety is a top priority so a no-contact rule will be strictly enforced. This class is open to new and experienced hockey players in 1st - 5th grade. Activities will be tailored to each child's strengths and goals.

Sound Formation Percussion (K-5th) Mondays 3:30pm-4:30pm

In this unique class you'll learn an easy way to truly master rhythm. The proprietary tools and method we teach allow you to transfer your groove onto any other instrument with our guidance later on, and/or just get awesome at percussion now! Strategic and fun games develop your listening skills, performance ability, and overall musicality. The fundamental math involved in rhythm is explained at grade specific levels. We use a beautiful blend of hand-percussion instruments like djembe, cajon, darbuka, claves and more. There will be a performance the final day. Our teachers have degrees, Masters degrees, and even Ph.Ds in music
